

### REMARKS

In response to the Office Action dated May 9, 2005 and the obviousness-type double patenting rejection of Claims 1, 3 and 10 as unpatentable over Claims 1, 3 and 4 of copending application Serial No. 10/738,504, Applicants file herewith a Terminal Disclaimer over copending application Serial No. 10/738,504.

Applicants respectfully submit that all outstanding issues have been addressed and that all pending claims, claims 1-11, are now in condition for allowance. Such action is respectfully requested at an early date.

Respectfully submitted,

By
